JTHS Foundation Buy-a-Brick Information:

The purpose of the Buy-a-Brick program is to allow the public to honor accomplishments of past and present District 204 students. Joliet Township Foundation has embarked on a mission to increase student scholarships and staff grants by selling bricks at the entrances of the new field houses at the Central and West campuses. This program offers you an opportunity to become involved in this worthy cause through the purchase of a brick, recognizing someone or something important in your life. Your brick purchase can be made for \$150.

Engraving Details: When you sponsor a brick, your payment does not entitle you to receive any bricks, but rather is a charitable contribution to the Joliet Township Foundation. For each contribution, an engraved brick will be placed in the walk near the entrances of the new field house additions. As any benefits given in return for the contribution are considered “incidental,” the full amount of your contribution is deductible for federal tax purposes. The Joliet Township Foundation reserves the right to deny any brick purchase application which it determines to be inappropriate by virtue of the stated or implied message. Purchasers shall have no control over the location, design, material, appearance, construction, manufacture, installation, maintenance or repair of the brick. The Joliet Township Foundation reserves the right to edit text and determine the location of the bricks. A minimum of 100 bricks must be sold before installation begins. For multiple brick orders, please make copies of the form or print/type on an additional piece of paper. You can make your brick stand out by engraving one middle brick and purchasing four blank bricks.
